I. Background and Overview

The different colleges and offices of the University usually request supplies, materials, and equipment for their operational needs and submit approved Purchase Requests (PRs) to the Procurement Office for Consolidation.

As per IRR of RA-No.12009

Whereas, Section 40.1 All NGAs, GOCCs, GFIs, SUCs, and LGUs shall procure CSE only from the PS-DBM, subject to its availability.

Whereas, Section 40.2 Procuring Entities are authorized to procure the CSE from other sources in any of the following instances:

- If the CSE is unavailable due to zero inventory, in which case the Procuring Entity shall secure a Certificate of Non-Availability of Stocks by downloading from the PhilGEPS Electronic Catalogue;
- If the technical specifications of the CSE are not sufficient to meet the Procuring Entity's specific needs and requirements, in which case the PE shall secure a complete list of technical specifications of all CSE items by downloading from the PhilGEPS Electronic Catalogue;
- If the available stock of the CSE is not sufficient to meet the required quantity of the Procuring Entity, in which case the Procuring Entity shall generate and download the current Stock Position Report from the PhilGEPS Electronic Catalogue showing the available stock at the specific time and date of access; and d) When the BAC, upon recommendation of the End-User or Implementing Unit, has resolved that the procurement from other sources is for reasons of efficiency, practicality, or economic viability.
