CONTRACTOR

Item No.	Unit	Description/Specifications	Qty	Unit cost
1.	Set	Torso CPR Training Manikin with Feedback Technology This torso CPR training manikin is designed to realistically represent an adult cardiac arrest patient for effective resuscitation practice. It integrates Bluetooth connectivity for compatibility with training applications and supports external feedback devices. The manikin provides objective performance data to help instructors improve training quality, classroom efficiency, and learner engagement. Functional Features • Anatomical Accuracy ○ Realistic upper body anatomy with anatomically correct oral and nasal passages ○ Supports airway management techniques including head tilt, chin lift, jaw thrust, and nose pinch ○ Visible chest rise during ventilations • Compression Feedback ○ Built-in audible clicker for correct compression depth ○ Human-like resistance to simulate realistic chest compressions • Feedback Technology ○ Integrated sensors for compression rate, depth, release, and ventilation performance ○ Multiple feedback options via compatible apps or external devices • Maintenance & Hygiene ○ Disposable lungs and removable faces for quick cleanup ○ Durable construction designed for repeated training use • Compliance ○ Provides objective feedback aligned with international CPR guidelines (e.g., AHA standards) Training Benefits • Realistic simulation of chest compressions and ventilations • Engaging feedback system to motivate learners • Suitable for individual or group training sessions • Compact torso design for portability and focused training Standard Set Includes • Torso CPR training manikin (1) • Additional face (1) • Additional airway lung (1) • Cleaning wipes (6) • Training jacket (1) • Soft pack carry case (1) • User guide and product information (1) • AA batteries (2)	6	49,900.00
2.	Set	Infant CPR Training Manikin with Feedback Technology This infant CPR training manikin is designed to realistically represent a pediatric cardiac arrest patient, enabling effective resuscitation practice. It integrates Bluetooth connectivity for compatibility with training applications and supports external feedback devices. The manikin provides objective performance data to assist instructors in improving training quality, classroom efficiency, and learner engagement. Functional Features • Anatomical Accuracy	2	49,900.00

		○ Realistic infant airway with anatomically correct oral and nasal passages ○ Supports nose pinch, head tilt, chin lift, and jaw thrust maneuvers ○ Visible chest rise during ventilations ● Compression Feedback ○ Built-in audible clicker for correct compression depth ○ Realistic resistance to simulate infant chest compressions ● Feedback Technology ○ Integrated sensors for compression rate, depth, release, and ventilation performance ○ Multiple feedback options via compatible apps or external devices ● Maintenance & Hygiene ○ Disposable lungs and removable faces for quick cleanup ○ Durable construction for repeated training use ● Compliance ○ Provides objective feedback aligned with international CPR guidelines (e.g., AHA standards) Training Benefits ● Realistic simulation of infant chest compressions and ventilations ● Engaging feedback system to motivate learners ● Suitable for individual or group training sessions ● Portable design with carry case doubling as training mat Standard Set Includes ● Infant CPR training manikin (1) ● Additional infant face (1) ● Additional airway lung (1) ● Cleaning wipes (6) ● Training jacket (1) ● Soft pack carry case (1) ● User guide and product information (1) ● AA batteries (2)

TOTAL: 399,200.00

INSTRUCTIONS FOR ACCOMPLISHING THE PRICE QUOTATION FORM

If you wish to submit a quotation, please complete the **Price Quotation Form** properly and make sure that all required information is provided.

INFORMATION TO BE PROVIDED

Please fill in the following:

1. Price of each item/service
2. Total Quotation Amount
3. Name of the person submitting the quotation
4. Signature
5. Contact Number
6. Email Address
7. Company Name and Address

DOCUMENTS TO SUBMIT

Please include the following:

- Completed and signed Price Quotation Form
- Required company legal documents

HOW TO SUBMIT

Please send the scanned Price Quotation Form and required documents to:

upo@psu.palawan.edu.ph

Please submit your quotation **on or before the specified deadline**.

IMPORTANT REMINDERS

- **Make sure all information is complete, correct, and readable.**
- Indicate the price for each item/service.
- Make sure the form is signed.
- Attach all required documents.
- Incomplete submissions may not be considered.
