I. Background and Overview

The different colleges and offices of the University, usually requested the supplies, materials and equipment for the consumption and usage of their offices and submitted approved PRs to the Procurement Office.

As per issuance of GPPB Resolution 24-2014;

Whereas, Section 8.2.3(b) of the IRR of RA 9184 mandates that procuring entities shall procure common-use goods, supplies, materials, and equipment from the Philippine Government Electronic Procurement System's (PhilGEPS) Electronic Catalogue;

Whereas, Section 4 of the Administrative Order (AO) No. 17 (Directing the use of the Procurement Service and the Philippine Government Electronic Procurement System in procurement activities in accordance with RA 9184, and improving the operation of the Procurement Service) likewise require the procurement of common use supplies directly from the Procurement Service (PS) or its depots without need of public bidding as provided in Section 53.5 of the IRR of RA 9184.

However, those supplies, materials and equipment that are not available at DBM-PS must be procured thru public bidding, as per Section 10 of RA 9184 & its IRR "All procurement shall be done through competitive bidding, except as provided in Rule XVI of this IRR". Thus, the BAC directed the Procurement Office to consolidate those approved PRs subject for commencement of bidding and issuance of BAC Resolution.
